## ASSEMBLY BILL

**No. 1759**

**Introduced by Assembly Member Umberg**

*(Coauthors: Senators Bowen and Ortiz)*

March 15, 2005

---

An act to add Section 84204.5 to the Government Code, relating to the Political Reform Act of 1974, ~~and calling a special election to be consolidated with the statewide primary election of June 6, 2006, to take effect immediately as an act calling an election.~~

### LEGISLATIVE COUNSEL'S DIGEST

AB 1759, as amended, Umberg. Campaign expenditure disclosures.

(1) Existing provisions of the Political Reform Act of 1974 require committees receiving or making contributions or expenditures above specified threshold amounts to report those contributions and expenditures, as well as other specified information, at times and places specified in the act. The act requires certain of these committees, by virtue of receiving or making contributions or expenditures above generally higher threshold amounts, to file the reports required by the act online or electronically. Existing law makes a violation of the act subject to administrative, civil, and criminal penalties.

This bill would require committees that receive contributions totaling more than \$1,000 in a calendar year and that are required under existing law to file online or electronically to also file a report online or electronically disclosing contributions or independent expenditures totaling \$5,000 or more to support or oppose the qualification or passage of a single state ballot measure, and disclosing other specified information, within 10 business days of making the contributions or independent expenditures. The bill would specify that reports required by this provision are not required to be filed by a committee primarily formed to support or oppose the qualification or passage of a state ballot measure for expenditures made on behalf of the ballot measure or measures for which it is formed. It would also exempt from disclosure pursuant to these provisions independent expenditures disclosed pursuant to other specified provisions.

*(2) Existing law makes a violation of the act subject to administrative, civil, and criminal penalties.*

*This bill would impose a state-mandated local program by imposing these penalties on persons who violate certain provisions of this bill.*

*(3) The California Constitution requires the state to reimburse local agencies and school districts for certain costs mandated by the state. Statutory provisions establish procedures for making that reimbursement.*

*This bill would provide that no reimbursement is required by this act for a specified reason.*

*(4) The Political Reform Act of 1974, an initiative measure, provides that the Legislature may amend the act by a statute that becomes effective only when approved by the electors or, alternatively, by a bill that furthers the act's purposes with a  $\frac{2}{3}$  vote of each house and compliance with specified procedural requirements.*

*This bill would call a special election to be consolidated with the June 6, 2006, statewide primary election and would require the Secretary of State to submit its provisions for approval to the voters at that election, which would declare that it furthers the purposes of the act, would therefore require a  $\frac{2}{3}$  vote.*

*(3) This bill would go into immediate effect as an act that calls an election.*

Vote: ~~majority~~ <sup>$\frac{2}{3}$</sup> . Appropriation: no. Fiscal committee: yes.  
State-mandated local program: ~~no~~ yes.
